tangible and intangible, of whatsoever nature and wheresoever situated, including all property which I may acquire or become entitled to after the execution of this will, including all lapsed legacies and devises or other gifts made by this will which fail for any reason, I bequeath and devise in fee simple to ROBERT T. PATTERSON as Trustee for THE JIMMIE D. ARDUENGO TRUST, to be a Texas trust.

5.1 Perpetuities Provision: Anything to the contrary here in notwithstanding, no Trust created or continued herein shall continue in force and effect for longer than twenty-one (21) years after the death of the last to die of my spouse and such of my issue as are living at my death. Any Trust still in force and effect at the end of such maximum term shall then terminate, and such Trust Estate shall be distributed outright to the person for whom such Trust was created or continued.

5.2 Appointment of Trustee: If ROBERT T. PATTERSON fails or ceases to act as Trustee for any reason, I appoint JOY VAN STEPHENS Trustee. No bond or other security shall be required of any Trustee.

5.3 Liability of Executor and Trustee: This instrument shall always be construed in favor of the validity of any act or omission by or of any Executor or Trustee, and no Executor or Trustee shall be liable for any act or omission except in the case of gross negligence, bad faith or fraud. Any successor fiduciary or co-fiduciary accepting hereunder shall be responsible only for property actually received from such

Jla

163

acceptance, may require such accounting from any predecessor fiduciary or co-fiduciary as the accepting fiduciary deems necessary, and shall incur no liability of any kind whatsoever for any act or omission to act of any predecessor fiduciary or co-fiduciary occurring prior to such acceptance. As used in this paragraph, "fiduciary" shall include any Executor or Trustee at any time acting hereunder.

5.4 Resignation of Trustee: Any Trustee may resign from a Trust without the necessity of any court procedure by giving at least thirty (30) days written notice to each beneficiary (or to any then legal or natural guardian of any such beneficiary or to any person with whom any such beneficiary may be then residing) who would be entitled at that time to receive any distribution which might then be made from such Trust Estate and to the other Trustees, if any, then acting.

5.5 Trustee's Discretion to Terminate Any Trust: The Trustee (and for purposes of this paragraph, Trustee means all Trustees then qualified and serving hereunder) may, in Trustee's sole and absolute discretion, determine that it is not economically feasible to continue in existence any Trust created or continued herein and terminate the existence of such Trust or Trusts. Such termination need not be approved by any interested party and shall be free of any court approval or supervision. The Trust Estate of any Trust so terminated shall be distributed free of trust to my spouse, if living, otherwise to the person or persons for whom such Trust was created or continued.

Jala

5.6 Spendthrift Provision: No part of any Trust Estate, under any circumstances, shall ever be liable for or charged with any of the torts or obligations of any beneficiary; no beneficiary, under any circumstances, shall have the power to anticipate or dispose of his or her interest in any Trust Estate in any manner until the same shall have been actually distributed to him or her free and clear of such Trust.

5.7 "Trust Estate" shall mean all properties, real or personal, however and whenever acquired, and any income therefrom, including any accumulated income, which may belong to a Trust hereunder at the time reference is made to such Trust Estate.

5.8 Allocation of Receipts and Disbursements: Except as otherwise provided elsewhere herein, the revenues, receipts, proceeds, disbursements, expenses, accruals and losses of each Trust may be allocated or apportioned between corpus and income in the discretion of the Trustee, and the Trustee's determination need not accord with the provisions of the Law, which shall control only if such discretion is not exercised.

5.9 Distributions:

a. Distributions During Administration: Prior to final distribution of my estate (which shall not be unreasonably postponed by the Executor), partial distributions may be made in the discretion of the Executor; therefore, the executorship and any trusts created herein may exist contemporaneously.

165
Joa

b. Distributions Subject to Debts: Any distribution may be made subject to any and all indebtedness or liability whether incurred by me or by the Executor or by the Trustee.

c. Manner of Distributions from the Trusts: When any distribution (other than a termination distribution) from a trust is to be made, the Trustee may make such distribution directly to the beneficiary, to the person furnishing support, maintenance or education for the beneficiary, to any parent or guardian of the beneficiary, or to any person with whom the beneficiary may be residing, or the Trustee may apply such distribution for the beneficiary's benefit, the payment of application being in the absolute discretion of the Trustee. Upon making a distribution to a person other than a beneficiary, the Trustee may specify the purpose of such payment and may require an accounting from the recipient, but the receipt of the beneficiary or of the recipient shall be a full discharge to said Trustee for all moneys so paid regardless of whether the beneficiary is a minor or under any other kind of disability. The Trustee in his sole discretion, shall pay either in cash or in kind, all or any part of the net income or corpus of such beneficiary's share of such trust estate, to or for the benefit of such beneficiary, to provide for his support, welfare, education, illness or disability.

J. A.

166

d. Final Distribution: Upon the decease of my husband, JAMES P. ARDUENGO, the Trustee of Trust "A" shall terminate this trust and distribute the Trust Estate.

e. Distributions During the Term of Trust: The first funds and receipts into the Trust shall be set aside into "Trust A" up to the amount of Five Hundred Thousand Dollars with the income from the said "Trust A" to be distributed at least semi-annually to JAMES P. ARDUENGO during his lifetime and upon his decease, the remainder in said trust shall be allocated fifty percent (50%) to ROBERT THOMAS PATTERSON and fifty percent (50%) to JOY VAN STEPHENS. All amounts above FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) will be divided and fifty percent (50%) shall be set aside to JOY VAN STEPHENS, Trustee for "Trust B" for the use and benefit of JOY VAN STEPHENS and fifty percent (50%) shall be set aside to ROBERT THOMAS PATTERSON, Trustee for "Trust C" for the use and benefit of ROBERT THOMAS PATTERSON. The Trustee shall distribute interest and principal of "Trust C" to ROBERT THOMAS PATTERSON in such amounts of income or corpus, or both, as in the sole and absolute discretion of the Trustee and upon the death of ROBERT THOMAS PATTERSON, the remaining funds, both principal and interest, if any, shall be distributed to his children, or their issue. The Trustee shall distribute interest and principal of "Trust B" to

J. P. Arduengo

JOY VAN STEPHENS in such amounts of income or corpus, or both, as in the sole and absolute discretion of the Trustee and upon the death of JOY VAN STEPHENS, the remaining funds, both principal and interest, if any, shall be distributed to her children, or their issue. Upon the decease of JAMES P. ARDUENGO, one half of the principal and interest, if any, will be distributed to "Trust B" and one half of the principal and interest, if any, will be distributed to "Trust C", thereby eliminating "Trust A".

5.10 General Powers of Trustee: The Trustee shall have all the rights, powers and privileges conferred on Trustees by the Texas Trust Act and any amendments hereto. To carry out the purposes of the separate Trusts, subject to any limitations stated elsewhere herein and those now or hereafter imposed by law, the Trustee of each Trust shall have:

a. The power to hold property, including cash, unproductive of income and/or to invest and reinvest all or any part of the Trust Estate in property of any description (including without limitation, shares of common stock and of open-end or closed-end investment trusts or companies and wasting assets) regardless of diversification as to kind or amount and the power to retain, for any length of time, without liability for so doing, any property constituting an original part of the

J.P.A.

168

Trust Estate or added to the Trust at any subsequent time;

b. The power to sell, transfer or encumber in any manner (including with purchase money mortgages) all or any part of the Trust Estate and to loan funds to or borrow money from any person or entity, including beneficiaries, in any manner (including by joint and several obligations) with or without security;

c. The power to begin and/or continue operation of any business entity, in any business form, with all or any part of the Trust Estate and to reorganize and/or liquidate any such entity at any time;

d. The power to deal with any person or other entity regardless of any relationship or identity of any Trustee to or with such person or entity, and to hold or invest all or any part of the Trust estate in common or undivided interest with any such person or entity, including, without limitation, the power to retain stock in any Trustee which is a bank and to exercise rights to subscribe for such stock;

e. The power to employ and compensate agents and other employees and to delegate to them any and all discretion and power of the Trustee;

f. The power to partition all or any part of any interest and to pay or receive such moneys or properties as may be necessary to equalize differences, to make any

J. A.

distribution of all or any part of the Trust Estate in cash or in property, or both, or in any manner whatsoever (including composing shares differently), and to evaluate any property which evaluation shall be binding upon all beneficiaries;

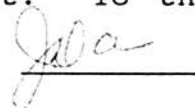

g. The power to institute, join in, maintain, defend, compromise, submit to arbitration, or settle any claim or controversy by or against the Trust, regardless of the manner in which such manner has arisen, all in the name of the Trustee and without the joinder or consent of any beneficiary of the trust;

h. The power to distribute to a custodian designated by the Trustee (or Executor) under any applicable Uniform Gift to Minors Act, any property devised or bequeathed free of Trust to a minor;

i. The power to guarantee the indebtedness of a corporation, part or all of the stock of which is owned by the Trust; and,

j. All of the rights, privileges and powers now or hereafter granted Trustees under the Laws of State of Texas.

The powers granted the Trustee under the provisions of this paragraph may be exercised upon such terms as the Trustee deems advisable and may affect Trust properties for any length of time regardless of the duration of the Trust. To the

extent possible, no subsequent legislation or regulation shall limit the rights, privileges and powers granted the Trustee hereunder. Generally, the Trustee shall hold, manage, control, use, invest and reinvest and dispose of each Trust Estate in all things, under all circumstances, and to the same extent as if the Trustee were the owner thereof in fee simple, subject only to the terms thereof. Each Trust may be administered in any jurisdiction and, to the full extent permitted by law, each Trust shall be free from the control or supervision of any court. Specific reference has been made hereunto the laws of State of Texas because it is anticipated that the Trustee will be domiciled in that State at the time of my death. Such reference, however, is not intended as a limitation; and it is specifically provided that the Trustee shall also have all of the rights, privileges and powers now or hereafter granted to trustees under the laws of any jurisdiction in which any part of the Trust Estate of any Trust created or continued herein may at any time be situated. As to each Trust created or continued herein, the foregoing powers of the trustee shall exist not only for the term of such Trust but until all of the Trust Estate of such Trust has been distributed.

5.11 Release of Fiduciary Powers: Any fiduciary power granted an Executor or Trustee herein may be released, in whole or in part, temporarily or permanently, by written instrument filed with the records of my estate or of the Trust Estates.

VI.

If any part of this Will (or any Trust hereby created) shall be invalid, illegal or inoperative, for any reason, it is my intention that the remaining parts, so far as possible and reasonable, shall be effective and fully operative. My Executor and/or Trustee may seek and obtain court instructions for the purpose of carrying out as nearly as may be possible the intention of this Will as shown by the terms hereof, including any term held invalid, illegal or inoperative.

VII.

My spouse and I may, at approximately the same time, execute similar Wills in which each of us is the recipient of the other's bounty to a greater or lesser extent; however, such Wills are not the result of any contract or agreement between us and either Will may be revoked or amended at any time at the sole discretion of the maker thereof.

VIII.

I request all my legatees and devisees to aid and assist my Executor in all things in carrying out my wishes as expressed in this my LAST WILL and TESTAMENT; and in order, if possible to insure this, it is my will and I do hereby expressly provide and make it a condition precedent to the taking, vesting, receiving or enjoying of any property, benefit, or thing whatsoever under and by virtue of this Will, that no such devisees or legatees shall in any manner contest the probate hereof or question or contest any provision or clause hereof. I do further will and provide that

Julia

should any such devisee or legatee so contest the probate hereof or question or contest any provisions or clause hereof or in any manner aid or abet any such contest or questioning hereof, he or she shall thereupon lose and forfeit all right or title to any property or thing herein directly, indirectly or contingently devised and bequeathed, and such bequeath shall thereupon vest in the other devisees and legatees who do not so contest the probating of this Will or question any provisions hereof, or give aid in such contesting or questioning of this Will or its probate, or any clause or provision hereof in accordance and consistent with the devises and legacies hereinabove set out.

KGA
By way of illustration and not of limitation and in addition to any inherent, implied, or statutory powers granted to executors generally, my executrix is specifically authorized and empowered: to allot, assign, buy, care for, collect, contract with respect to, to continue any business of mine, convey, convert, deal with, dispose of, enter into, exchange, hold, improve, incorporate any business of mine, invest, lease, manage, mortgage, grant and exercise options with respect to, take possession of, pledge, receive, release, repair, sell, sue for, and in general to exercise all of the powers in the management of similar property owned in her own right, upon such terms and conditions as to my executrix may deem best, and to execute and deliver any and all instruments and to do all acts which my executrix may deem proper or necessary to carry out the purpose of this Will, without being limited in any way by the specific grants of power made, and without the necessity of a court order. Such minor's property shall be paid over

and distributed to such minor upon attaining age twenty-one (21) or if he or she shall sooner die, to his or her estate. Whenever my trustee determines it appropriate to pay any money or benefit of any minor for whom a trust is created hereunder, such amounts shall be paid out by my trustee in such of the following ways as my trustee deems best: (1) directly to such beneficiary; (2) to the legally appointed guardian of such beneficiary; (3) to some relative or friend for the support, medical care, and education of such beneficiary; (4) by my trustee using such amounts directly for such beneficiary's support, medical care and education. ITEM VIII

If any beneficiary and I should die as a result of a common accident or calamity or otherwise under such circumstances as would render it doubtful whether the beneficiary or I died first, then it shall be conclusively presumed for the purposes of this Will that said beneficiary predeceased me; provided, however, that if my wife shall die with me as aforesaid, I direct that she shall be conclusively presumed to have survived me.
