(d) To lease property upon any terms or conditions and for any term of years although extending beyond the period of any trust hereunder.

(e) To insure, improve, repair, alter and partition real estate, erect or raze improvements, grant easements, subdivide or dedicate to public use.

(l) To deal in every way and without limitation or restriction with the executors, trustees or other representatives of any trust or estate in which any beneficiary hereunder has any existing or future interest, even though they themselves are acting in such other capacities, without liability for loss or depreciation resulting from such transaction.

(m) To pay all costs, charges and expenses of my estate and the trusts and pay or compromise all taxes pertaining to the current administration of the estate or trusts which may be assessed on account of income together with a reasonable compensation to themselves for their services hereunder, including services in the matter of whole or partial distribution of the trusts.
